

Waste Management Policy for Samdenkens Nigeria Limited

Introduction

Samdenkens Nigeria Limited is committed to minimizing waste generation and promoting sustainable waste management practices in all aspects of its operations. This policy outlines our waste management principles, objectives, and strategies for achieving a waste-free future.

Waste Management Principles

1. Waste Reduction: Minimize waste generation through reduction, reuse, and recycling.
2. Waste Segregation: Segregate waste into recyclable, reusable, and non-recyclable categories.
3. Proper Disposal: Dispose of waste through environmentally responsible methods.

Objectives

1. Reduce waste generation by 30% within the next 2 years.
2. Increase recycling rate to 50% within the next 3 years.
3. Eliminate hazardous waste disposal by 2025.

Strategies

1. Waste Reduction Programs: Implement waste reduction initiatives, such as reducing paper usage and minimizing packaging.
2. Recycling Programs: Establish recycling programs for paper, plastic, glass, and metal.
3. Waste Segregation: Provide separate bins for recyclable, reusable, and non-recyclable waste.
4. Proper Disposal: Engage licensed waste disposal contractors for environmentally responsible waste disposal.

Implementation and Monitoring

1. Waste Management Team: Establish a waste management team to oversee waste management activities.
2. Performance Metrics: Track and measure waste management performance using key performance indicators.
3. Regular Audits: Conduct regular waste management audits to ensure compliance and identify areas for improvement.

Training and Awareness

Provide regular waste management training and awareness programs for employees.

Stakeholder Engagement

Engage with stakeholders to promote waste management awareness and collaboration.

Review and Revision

This policy will be reviewed and revised as necessary to ensure its effectiveness and alignment with changing regulations and industry best practices.

Acknowledgement

All employees, contractors, and third-party representatives must acknowledge they have read, understood, and will comply with this policy.

Appendix

Relevant Waste Management Laws and Regulations:

- National Environmental Standards and Regulations Enforcement Agency (NESREA) Act
- Waste Management Regulations, 2019
- Nigerian National Petroleum Corporation (NNPC) Waste Management Policy
